S. RES. 606

Whereas in order for the Federal Government to remain of the people, by the people, and for the people, individuals must take advantage of their right to vote;

Whereas the legislature of Louisiana voted in 2002 to annually recognize the first Tuesday in May as Louisiana High School Seniors Voter Registration Day; and

Whereas the purpose of National High School Seniors Voter Registration Day is to allow students to register to vote at school to encourage their participation in making democracy work: Now, therefore, be it

Whereas children in the United States were already experiencing a public health crisis of mental and behavioral health before the additional challenges of the COVID-19 pandemic;

Whereas the National Institute of Mental Health estimates that nearly ½ of adolescents (49.5 percent of the population aged 13 to 18) will experience a mental disorder;

Whereas, in 2019, according to the Census Bureau, over 11 percent of children aged 3 to 17 received treatment or counseling from a mental health professional;

Whereas suicide is the third leading cause of death for youth aged 10 to 24, and 90 percent of youth suicide deaths involve an underlying mental illness;

Whereas, during the COVID-19 pandemic, increased isolation and collective trauma has led to an increase in demand for mental health services for children;

Whereas, compared with 2019, the proportion of visits of children to emergency rooms for concerns relating to mental health increased between approximately 24 and 31 percent;

Whereas the COVID-19 pandemic has laid bare the inequities in the mental health delivery system for all populations in the United States, specifically impacting children and adults who have been exposed to adverse childhood experiences; and
